DON'T MISS OUT ON GREAT INFORMATION ON OUR WEBSITE!!

The website is your resource for commonly asked questions about owning and operating a small business in North Dakota along with:

Success Stories – share in the entrepreneurial stories of those who made their dreams come true working with the SBDC programs across the state.

Grants Information – they are few and far between, but don't miss this online training class covering the legitimate grants in North Dakota for entrepreneurs. This was developed by a professional grant writer and includes descriptions, contact information, and links whenever possible.

Training Schedule – SBDC offices conduct more than 100 classes year-round across the state on a variety of small business topics, offered at either minimal or no cost to attendees. All SBA programs are extended to the public on a nondiscriminatory basis. Special arrangements for the handicapped will be made if requested in advance.

Online Training – information on what you want, when you want it! The SBDC offers over 15 online training classes covering different management topics. These can be taken 24/7 at your convenience. Simply register at our website, contact your local counselor for site access information and you're in! More online classes being added all the time!

Links to Valuable Small Business Websites – find resources related to demographic research, financing, patents and copyrights, government procurement, regulatory issues, and technology.
