NORTH DAKOTA DEPARTMENT OF TRANSPORTATION

NOTICE TO BIDDERS

The North Dakota Department of Transportation is requesting informal bids for furnishing gravel for maintenance purposes for the period from April 1, 2009, through March 31, 2010. The informal bids will be used as a price quote for purchases under \$20,000. Bids must be received not later than 2:00 p.m. on Friday, March 20, 2009, by:

North Dakota Department of Transportation  
Procurement, Room 222  
608 East Boulevard Avenue  
Bismarck, North Dakota 58505-0700

All bids must be submitted on the bid forms furnished by this Department. All bids shall be submitted in envelopes, marked "Bid for Gravel."

The right is reserved to reject any and all bids or the bid on any item, to waive technicalities, or to accept such as may be determined to be for the best interest of the state. Questions concerning this bid should be directed to the Purchasing Agent at 701-328-4466.

**SPECIFIC INSTRUCTIONS TO BIDDERS**

Bids are requested so that quotations will be readily available in case any material is requested during the period specified.

Delivery of materials shall be made during the period from April 1, 2009, through March 31, 2010, upon instructions issued by the Maintenance Engineer or District Engineers.

Quantities to be purchased are indefinite, depending on requirements, and therefore cannot be determined at the time bids are received. For that reason the Department reserves the right to make purchases from time to time in any quantities required to meet its current needs, and there is a possibility that no purchases may be made on some of the bids accepted.

The unit price bid shall include all discounts and deductions, and shall be F.O.B. pit site. Purchases by the North Dakota Department of Transportation are not subject to North Dakota sales tax. Use a separate bid sheet for each pit location bid.

If weighing facilities are available at the pit site so that material may be measured by weight, bidder should list the unit price per ton. If weighing facilities are not available at the pit site, bidder should list the unit price per cubic yard.

The bidder may submit prices F.O.B. pit site in any or all of the following ways:

- Stockpiled at Pit Site (to be loaded by state forces)
- Loaded in Trucks at Pit Site

Bidders will not be required to submit a bid guarantee with their bid, and no contract bond will be required for accepted bids.

The various types of material to be covered by this bid shall conform to the specifications contained in the following Sections of the Standard Specifications of the North Dakota Department of Transportation, adopted October 2002, as listed below:

Gravel Surfacing Material, Class 8 .....	Section 816
Gravel Surfacing Material, Class 13 .....	Section 816
Bituminous Surfacing Aggregate, Class 27 .....	Section 816
Chip Aggregate for Seal, Class 42 .....	Section 816
Chip Aggregate for Seal, Class 43 .....	Section 816
Blotter Sand, Class 44 .....	Section 816
Sand Aggregate for Seal, Class 45 .....	Section 816

Indemnification - The attached Risk Management Appendix will be incorporated into the contract. The successful Bidder may be required to furnish proof of insurance, as detailed in the Risk Management Appendix.

**BID SHEET**

The undersigned hereby submits the following bid for such gravel material for maintenance purposes as may be ordered by the North Dakota Department of Transportation during the period from April 1, 2009, through March 31, 2010, in accordance with the terms and conditions contained herein, all material to conform to the Specifications of the North Dakota Department of Transportation, adopted October 2002:
